

# Used Vehicle Buyer's Guide

## Telephone interview

1. How many miles are on the vehicle?
2. Exterior & interior color?
3. Automatic or manual shift? 5 speed?
4. Are you the original owner?
5. Is the title clean? (The vehicle may have been reconstructed or previously totaled)
6. Do you know if the vehicle been in any accidents?
7. Has the vehicle been smoked in? (Possible concern for people with allergies)
8. May I ask if you own a dog or cat? (Possible concern for people with allergies)
9. Do you have all of the service records?
10. How much oil does the vehicle use between oil changes?
11. Does the vehicle need any mechanical or body repairs?
12. If I decide I would like to possibly buy the vehicle, would you allow my repair shop to inspect it?

## Pre-Purchase Vehicle Inspections Save you money & time

Our pre-purchase vehicle inspections can help you better learn the overall condition of a vehicle, and identify any costly mechanical problems, before you purchase the vehicle. Our pre-purchase inspections can also provide you with an opportunity to negotiate a better price, whereas the cost of any necessary repairs can be taken into consideration. Before you purchase any used vehicle, contact our shop to schedule your pre-purchase vehicle inspection.
